8:30-10:00 AM

Keynote: Dr. Mary M. Williams, University of San Diego: The Moral Role of Teachers and Responsibilities of Teacher Education	Pt. Loma 1
The goal is to create principled schools and classrooms that foster healthy character development. This session will reveal teacher education principles and characteristics that both teach and model that which is important. Questions answered in this interactive session include: What exists in teacher education? What works in teacher education? What are some recommendations for pre-service and in-service teacher education?
